Shared Data Vehicle

MHC Mobility may at any time, in case of necessity, check the location, usage, performance and condition of their fleet vehicles. The data may only be used for safety, monitoring, damage and vehicle management purposes. By signing the short-lease application, you voluntarily give explicit consent to share the data solely with the competent police authorities. This data will not be shared with third parties.

Non-payment

By signing the short-lease application, you grant permission that upon one overdue invoice we may unilaterally terminate the contract. The costs arising from the termination will be charged together with the rental up to and including the day of repossession.
